Read on to find out.

Dear Frustrated Friend,

Seven powerful minutes can change your life.

Do you want to attract more money? Seven powerful minutes can help you create enormous piles of it.

Do you want to find the love of your life? Seven powerful minutes can deliver true love to your doorstep.

Do you want to be the top sales person, with mind-boggling successes over and over again?

Seven powerful minutes can bring you **more riches and excitement than you ever imagined.**

How is it possible for 7 powerful minutes to bring you so many incredible things? How is it possible to transform all of the stresses and frustrations of achieving your dreams in life into **raging success in 7 fleeting minutes?**

It's unbelievably simple. These 7 powerful minutes are the basis for giving you everything... and I do mean EVERYTHING... you've ever wished for in your life.

Someone recently asked me how I have managed to achieve so much in such a short time. Without a moment's hesitation, I replied, "**EFFORTLESSLY!**"

In fact, over the past several years, a staggering number of ordinary people... nice people just like you... have accomplished the most incredible things, earned mind-boggling amounts of

money, finally found passionate love, had the most wondrous events unfold right before their amazed eyes, and zoomed to the top of their professions.

Frankly, their friends and family have been baffled as they've seen them bound past every single rough patch in their lives.

In fact, these savvy people now always find, even in the face of what they once perceived as "insurmountable" roadblocks... they can easily evaporate ANY negative circumstance... with **7 powerful minutes** each day.

Since you're reading this letter, I believe you are already much smarter than most people. A lot of them would have already moved on to a different website. But you're still here, because you hear that small voice within – the one that whispers to you every single day.

The one that keeps you awake at night saying you were meant for something more than a run of the mill existence. In fact...

You Were Meant To Have An EXTRAORDINARY Life!

I'm Chris Payne, your guide to realising your deepest desires.

And I want you to know, there are phenomenal secrets of purest gold in this letter – **secrets so incredibly powerful** they can literally transform your life.

If you have the proper mindset, you'll immediately recognise each and every secret as blindingly true.

And the first one is...

You Can Effortlessly Attract Everything You Desire Into Your Life

You see, even though natural talents, massive brains, first-class education, and being born with a silver spoon in your mouth would be very nice to have... not one of these 'luck of the draw' things guarantees your happiness and success. As a matter of fact, all of those things won't get you past 'Go', if you don't have the proper mindset. But once you do have the proper mindset, you will ALWAYS get everything you want... even if right now you think you are the most ordinary person on the planet.

Imagine for a moment, being able to achieve anything you want in life, and never feeling anything but blissfully secure and confident forever more.

With just 7 powerful minutes (3 or 4 in the morning, and 3 again in the evening) you can literally shift your whole reality... flip it on its ear from 'difficult' to amazing! Imagine

seeing your entire life in a whole new way, from just 7 powerful minutes each day. Truly, you have to experience it for yourself. And once you do, you'll never be the same again.

Perhaps you think this is an impossible dream, or a fantasy that could never become your reality. But nothing could be further from the truth. And today, I'm going to prove to you that it's all within your reach... or more accurately... it's all right between your ears.

You see, the hidden power of your mind is working all the time. FOR you... or AGAINST you. Your thoughts are either powerfully attracting WHAT YOU THINK ABOUT... or forcefully pushing away. There's no in between or halfway. It's what you might call a universal law.

And harnessing that power in your life is magical, astounding, and predictably reliable. Because it's...

Guaranteed To Work As Effortlessly As The Sun Rises Each Morning

It's so simple, it's breathtaking. So simple, you might be tempted to shrug it off as impossible. And that would be the biggest mistake of your life. Why? Because **your mind** is the gateway to your dreams... **you BECOME your focus.**

Here's what I mean...

Try this little experiment for the next 30 seconds. You'll quickly prove to yourself how powerfully thinking about what you DON'T want to think about will make you think it even more!

Here we go...

Do NOT **think** of the Eiffel Tower jumping up down, bouncing from one leg to the other...

Hey! I thought I said do NOT **think** of it. Absolutely don't even consider how silly this must look.

I could continue... but do you see for yourself what happens when you focus on something you do NOT want in your mind... or your life? Your brain has a 'mind of its own'!

Look, you don't have to be a scientific whizz kid to understand the simple facts about how your mind works. But what would happen if **you discovered the secret that could instantly light the fuse on your explosive power within?** What if you could harness the incredible power of your mind... effortlessly... reliably... and consistently... to flood your life with every exciting possibility you've always longed for?

And what if you could do it in only 7 powerful minutes a day? Think about what that would ultimately mean to your life.

In fact, that's why this message is coming to you exactly at this particular moment. (You do know there are no coincidences, right?) Because now is the perfect time for you to focus your positive inner power, and see for yourself how easily you...

Become The Winner You Were Born To Be!

You can change your life in the blink of an eye... **in just 7 tiny minutes a day**. Because I've finally cracked the code on exactly how you can unleash the power of your mind. It's so easy, ANYBODY can do it! It's as simple as understanding a system that works over and over again.

I call it the Effort-Free Life System. And once you plug into your personal power in 7 powerful minutes a day, you'll be amazed how easily you can...

- **Zero in with crystal clear focus to fulfil your secret desires** whatever they may be... a bank account overflowing with cash... love drawn to you like a heat-seeking missile... the sugar-soft sands of a tropical holiday
- **Crumble your inner fortress of doubt, fear, and disappointment**, and emerge victorious... free of self-defeating thoughts (and behaviours!) that chain you to the past, and keep you from claiming lasting prosperity
- **Banish the cruel tricks of your mind that constantly paralyse your ability to succeed** (Hint: This is crucial to your success! Without it, you'll unknowingly sabotage yourself at every turn!)
- Plunge into the velvety sanctuary of lasting inner peace so profound, it sends shivers of delight rippling through your body

It's So Incredibly Powerful, Your Mind Will Become A Lethal Weapon!

Negativity won't stand a chance when you blast it to kingdom come without batting an eye. Love will fall to its knees before you... your competition will be left dumb-struck by the side of the road. When you laser onto your target with the power of your mind, **you will be victorious**.

It doesn't matter if you're a wild-at-heart 20-odd-year-old, or a kindly grandparent. It doesn't matter if you're a graduate of the school of hard knocks... or have an upper crust education. It doesn't matter if you are fat, thin, bald, short, tall, or just flew in from Mars.

Your life can change effortlessly... almost magically, no matter what.

Maybe right now you see examples of others all around you who seem to have blazed a trail to success, and are basking in obvious prosperity. And perhaps you grit your teeth in frustration (maybe even anger!) thinking, "*Why should they get it all?*"

That's what **Kenny Goodman from Manchester** used to think too. Frankly, Kenny was just another average Joe, frittering away what little money he had. That is, until he blew the hinges off the door to his personal inner goldmine.

"Miraculous Results!"

"I'm living proof that anybody can get what they want in life amazingly fast, simply by following Chris Payne's breakthrough system. A little over a year ago I was completely messed up, wasting money partying every night to try and forget my frustrating job. I was doing so-so, earning about £35,000 a year. But I hated it, and felt that my life was going nowhere fast.

Thank God I stumbled into Chris Payne. We started talking, and in a few hours, I completely understood his Effort-Free Life System.

I was so excited, I began to use it right away. The results have been nothing short of miraculous!

In fact here's what's happened since April 2004...

1. My earnings have soared to an all time high... £400,000 within 18 months
2. I scrapped my old heap for a brand new BMW X5

AND IT GETS EVEN BETTER ...

3. I went from being a lonely loser to becoming engaged to the woman of my dreams... and I met her only 2 weeks after starting to use the System!

4. We've traded our tiny dark flat for a gorgeous new home.

My life has changed in more ways than I can possibly begin to list here.

Believe me, if a lazy geek like me can do this... you can too! I'm so grateful to Chris, I promised myself that I'd do whatever I could to help him spread the word about how tremendous this is.

But I don't blame you a bit if you're wondering if I'm for real. So here's a copy of my bank statement!" If Kenny can do it, so can you...

Discover The Explosive Possibilities

All Kenny did was spend 7 powerful minutes a day with the Effort-Free Life System. And here's what happened...

He immediately went from feeling like a loser – to being on top of the world. And he's not a genius with a mega-brain either. The explosive results... Kenny made a truckload of cold hard cash... and found love too!

Anybody can take the same simple steps that led Kenny to his dreams. **You can do it too** when you unleash the unstoppable power hidden within you... undiscovered... untapped... unappreciated by the rest of the world.

Because when you soak up the powerful techniques already used by thousands to transform their lives, it's like a magical roadmap to anything you want in YOUR life.

As a matter of fact, even if you barely squeaked through at maths, you'll quickly become an expert at reprogramming the world's most powerful computer... your brain! Because...

Your Unique Inner Power Is Absolutely Unlimited!

It's true! From the day you were born, your brain forms new learning connections at an amazing 3 BILLION per second! And nobody on the planet is using more than a fraction of their astounding potential. Tap into your inner power source and you can achieve anything!

But it's much more than stuffing a ton of information into your starving brain. Unless you upgrade your powerful computer with "new software" to process input correctly, you're going to stay stuck in the same familiar rut, year in and year out.

Because right now, your emotions, feelings and memories are dictating every aspect of your life. And I'd be willing to guess you're still struggling to release the potential you know is crouched just below the surface... and that nobody else recognises.

Maybe you're afraid you've already made too many mistakes, and it's already too late. Nothing could be further from the truth!

Because no matter where your life has taken you until now...

When You Revolutionise Your Thinking, Everything You Want In Life Becomes Real And Possible

Ask yourself...

Where are you in life right now? Do others drool with envy over YOUR life? Or are you pea-green with envy about others? Are people amazed at how "lucky" you are? Or do you secretly wish others' "luck" would rub off on you?

Do others admire your obvious success in love, work and lifestyle? Do they wonder how the heck you've made all the right moves so quickly? Or sadly, it is the other way around?

When you're living an Effort-Free Life like the thousands of people I've shared the System with... people who have achieved incredible financial rewards and awesome success in their lives... you'll be envied, admired and respected by almost everyone you come into contact with.

Why? Because when you inflame your desires with the Effort-Free Life System, you'll have a one-way ticket to the top. Almost overnight, you'll become a powerhouse of attraction to everything you desire in life – guaranteed.

After all...

Isn't It About Time You Got YOUR Fair Share?

It's already working for these fine folks (letters like this pour into my office every day!)

"Could it really be this easy?"

"This is a magnificent creation. It's so clear and simple. I'm sitting here enjoying the benefits, rather than moving into my head, thinking: 'Could it really be this easy?' It's lovely to see the clarity that Chris has come to, and his easy way to gain access to the tremendous power that's really available to each of us."

Paul Scheele, Developer of PhotoReading, Minneapolis, USA

“Incredibly powerful!”

“I feel so relaxed and at peace with myself, I feel as if I’m walking on air. The Effort-Free Life System is so quick, so clever, so simple, and yet so incredibly powerful. I fully intend using it at every opportunity possible so that my life becomes even more magical than it is at the moment.”

David Hughes, Director, Nightingale-Conant Publishing, UK Division

“Earnings more than doubled!”

“Suddenly I began getting lots of new business out of the blue! My income has more than doubled over the last 6 weeks.? It’s almost like magic!”

Wendy Barratt, Graphic Designer, Brighton

“Income tripled!”

“I used to work at a job that was numbingly boring, because that was all I believed I deserved. I was lost in despair. Within 4 weeks of beginning using the System, I’ve started a new job, on track to earn THREE TIMES what I earned before! I’ve magically created a beautiful new man in my life. I’m happier than ever, and I’m so easy going. I invited my friend Lisa up to my new flat. ‘Where did this place come from?’ she asked. ‘From Chris Payne,’ I replied!”

Debbie Margolis, Dance Instructor, Manchester

“A wonderful teacher!”

“Chris is a wonderful teacher! He’s a living example of freedom and simple joy. In Chris, large intelligence is married to the playfulness of a child – all in one human being.”

Leslie Kenton, best-selling author of more than 30 books, including The X-Factor Diet and Age Power

“Astonishing results”

“I was very sceptical at first. I’ve tried most of the powerful self-development systems in the world, and I thought I’d seen it all. However, after just 2 hours’ exposure to this System, little did I know that my life would change forever. It may sound incredible but one simple exercise made me realise how negatively I had been processing and responding to the everyday frustrations which life throws at us all.

“The next few days after that first exposure, I felt a new calm settle upon me. Even more amazingly I discovered, to my absolute delight, that this calm is contagious, as I saw it spread

to my immediate family. As a result I can see that we have a whole new way of interacting with each other that is much more loving, caring and sensitive. In fact, I simply don't have the ability to describe in words the massive difference it's made to the quality of my life, and even my family's life.

"Last Thursday I used the System and decided that my family and I were going to have the most brilliant weekend ever as a family together. The very next morning I opened the post and discovered that my son Ben had won a music scholarship to the best school in the area. We celebrated as a family for the whole weekend. On Sunday Ben said that this had been the best weekend of his life. The System enabled me to get exactly what I had wished. I think it should be renamed The DreamMaker.

"To anyone considering using the System I would say: 'Give it a try and you'll probably be as astonished at the results as I am.'"

- How, in 2 minutes flat, you'll effortlessly dissolve negativity completely, and drench your life with miracles.
- The single most crucial thing you must do before you can change your thinking to guarantee your success! (Hint: It's such an easy "no-brainer", you'll wonder why you haven't done it up to now!)
- How to instantly melt away 3 "kiss of death" beliefs that will otherwise freeze you in your tracks, and stop you from succeeding before you even begin.
- The tragically common roundabout view of the world that slams the door on abundance. Quick flip this bad habit on its head, and say hello to prosperity!
- The rock solid foundation, where you must keep both feet firmly planted if you want to transform your dreams into reality.
- How a dying man's simple view of a blossom made millions see, and can still reach beyond the grave to help you bloom fully too.
- The "one" resource you must have if you are ever to achieve your dreams! (This "shortcut-to-success" is crucial... if you don't have it, you're not going to get unstuck from your rut... and you'll never realise the rich potential of your life!)
- The most expensive 10-letter word that slithers through your life like a money-sucking snake, swallowing abundance and prosperity before they ever reach your door.

- How the simple words of a brilliant Russian pianist can shine a spotlight on your success, and illuminate your path to prosperity.
